Privacy Policy

Last updated: December 16, 2025

[View Full Privacy Policy →](#)

LifeMaxing ("we", "our", or "us") is committed to protecting your privacy. This Privacy Policy explains how we collect, use, disclose, and safeguard your information when you use our mobile application.

1. Information We Collect

Personal Information: When you create an account, we collect information such as your name, email address, date of birth, and authentication credentials. This information is necessary to provide you with personalized services and secure access to your account.

Health and Wellness Data: As you use LifeMaxing, we collect data related to your habits, fitness activities, nutrition tracking, meditation sessions, sleep patterns, and personal goals. This data helps us provide personalized recommendations and track your progress.

Usage Information: We automatically collect information about how you interact with the App, including features used, time spent on different sections, crash reports, and performance data. This helps us improve the app experience.

Device Information: We may collect information about your mobile device, including device type, operating system, unique device identifiers, and mobile network information.

Third-Party Authentication: When you sign in using Google Sign-In or Apple Sign-In, we receive basic profile information (name, email) from these providers to create and manage your account.

2. How We Use Your Information

We use the collected information to:

- Provide, maintain, and improve our services
- Personalize your experience with customized content and recommendations
- Send you notifications about your goals and achievements
- Analyze usage patterns to enhance app functionality
- Respond to your comments, questions, and provide customer support
- Detect, prevent, and address technical issues and security threats
- Process payments and manage subscriptions through third-party payment processors
- Comply with legal obligations and enforce our Terms of Service

3. Third-Party Services

We use the following third-party services that may collect or process your information:

Supabase: We use Supabase as our backend infrastructure and database service. Supabase stores your account information, health data, and app usage data. Supabase is GDPR and SOC 2 compliant and uses industry-standard encryption. Learn more at supabase.com/privacy.

Google Sign-In: When you choose to sign in with Google, Google processes your authentication. Google's privacy policy applies to this service. Learn more at policies.google.com/privacy.

Apple Sign-In: When you choose to sign in with Apple, Apple processes your authentication. Apple's privacy policy applies to this service. Learn more at apple.com/privacy.

RevenueCat: We use RevenueCat to manage in-app purchases and subscriptions. RevenueCat processes payment information and subscription data. Learn more at revenuecat.com/privacy.

Google Generative AI (Gemini): We use Google's Generative AI services to provide AI-powered features within the app. Your interactions with AI features may be processed by Google. Learn more at ai.google.dev/terms.

4. Data Sharing & Disclosure

We do not sell your personal information. We may share your information in the following limited circumstances:

Service Providers: We may share information with third-party service providers who perform services on our behalf, such as hosting (Supabase), data analysis, authentication (Google, Apple), payment processing (RevenueCat), and customer service. These providers are contractually obligated to protect your information and use it only for the purposes we specify.

Legal Requirements: We may disclose your information if required by law, court order, or governmental request, or to protect our rights, privacy, safety, or property.

Business Transfers: In the event of a merger, acquisition, or sale of assets, your information may be transferred to the acquiring entity.

With Your Consent: We may share information with third parties when you explicitly consent to such sharing.

5. Data Storage & Security

Your data is stored securely using industry-standard encryption protocols. We employ Supabase as our backend infrastructure, which provides enterprise-grade security including:

- SSL/TLS encryption for data in transit
- AES-256 encryption for data at rest
- Regular security audits and compliance certifications
- Restricted access controls

However, no method of transmission over the Internet or electronic storage is completely secure, and we cannot guarantee absolute security.

6. Your Privacy Rights

Depending on your location, you may have certain rights regarding your personal information:

- **Right to Access:** You can request a copy of the personal information we hold about you.
- **Right to Correction:** You can request that we correct inaccurate or incomplete information.
- **Right to Deletion:** You can request that we delete your personal information, subject to certain legal exceptions.
- **Right to Data Portability:** You can request a copy of your data in a structured, commonly used format.
- **Right to Opt-Out:** You can opt-out of certain data collection and processing activities.

To exercise these rights, please contact us at admin@lifemaxing.app. We will respond to your request within 30 days.

7. Children's Privacy

LifeMaxing is not intended for children under the age of 13. We do not knowingly collect personal information from children under 13. If you are a parent or guardian and believe your child has provided us with personal information, please contact us immediately at admin@lifemaxing.app. If we learn that we have collected information from a child under 13, we will take steps to delete such information promptly.

8. International Data Transfers

Your information may be transferred to and maintained on servers located outside of your state, province, country, or other governmental jurisdiction where data protection laws may differ. By using LifeMaxing, you consent to the transfer of your information to these locations. We will take appropriate measures to ensure your data receives adequate protection.

9. Data Retention

We retain your personal information for as long as necessary to fulfill the purposes outlined in this Privacy Policy, unless a longer retention period is required or permitted by law. When you delete your account, we will delete or anonymize your personal information within 30 days, except where we are legally required to retain it.

10. Policy Updates

We may update this Privacy Policy from time to time. We will notify you of any material changes by posting the new Privacy Policy within the App and updating the "Last Updated" date. We encourage you to review this Privacy Policy periodically. Your continued use of the App after changes are posted constitutes your acceptance of the updated policy.

11. California Privacy Rights

If you are a California resident, you have additional rights under the California Consumer Privacy Act (CCPA), including the right to know what personal information we collect, the right to delete personal information, and the right to opt-out of the sale of personal information. We do not sell personal information. To exercise your CCPA rights, contact us at admin@lifemaxing.app.

12. European Privacy Rights

If you are located in the European Economic Area (EEA), you have rights under the General Data Protection Regulation (GDPR), including the right to access, correct, delete, restrict processing, object to processing, and data portability. You also have the right to lodge a complaint with a supervisory authority.

13. Contact Us

If you have questions, concerns, or requests regarding this Privacy Policy or our data practices, please contact us at:

Email: admin@lifemaxing.app

By using LifeMaxing, you acknowledge that you have read and understood this Privacy Policy and agree to its terms.
